ok apartment in Bayswater, clean enough

The Lady:

Young Serbian minx, got a sexy look to her, carrying a little puppy fat but is cute enough.

The Story:

Sorted out the envelope then straight down to business, wanted to sample her deep throat technique as was recommended by the agency and it was amazing.

I have quite a big thick cock, which most ladies can't take all the way, no such problems from Lucy, she was the one pushing me in deeper, right at the back of her throat then holding it there for several seconds.

She has a great mirror setup so the site of me leaning over her face and fucking her mouth as deep as I liked was a site to behold. I was trying to not to be rough at all and asked her several times if it was OK and she just pushed my cock down her throat even further. Never fucked her but the BJ was so amazing, didn't care.

Treat her right and she is dynamite
