The Lady:

Enough has been written about Debbie, and I can verify it all, she belies her age and looks 5-7 years younger than she is.

The Story:

This was my first visit to Debbie, so I opted for the house special. We started by kissing and fondling while Debbie slowly undressed me and herself. We then moved to the bed for a bit of a cuddle and play, this got Debbie very wet, which she seemed to enjoy. We then moved to the shower, where we soaped each other down and had a good time, which resulted in me cummin in the shower. When we had dried ourselves off we moved back to the bed, where Debbie continued to play at me weak spot, my nipples. She then used the vibrator up and down my cock to get me going, which worked! Debbie then got on top and as she was riding me I got to play with her ample boobs. We then moved to missionary, and Debbie put the vibrator in as I started to fuck her. we finished off with doggy, befor ejust laying on the bed chatting about things in general. Debbie certainly enjoys her work and knows how to make her men enjoy themself too1
