### The Premises:

Beautiful clean establishment with private parking and discreet rear entrance. Ground floor apartment with clean bathroom and air-conditioned luxury bedroom. Situated about half a mile from the town centre.

### The Lady:

Mid-thirties petite with dark curly hair and a gorgeous size 10 figure. She was wearing lovely oyster-coloured designer lingerie with fishnet stockings and a warm and seductive smile. Maria is about 5'4 and very friendly and romantic.

### The Story:

This was a beautiful experience. I had rung several times but this was my first visit to Oasis. Maria's description left me with no doubts about which day to call. She works here on alternate Tuesdays. She started with a very sensual back massage which proceeded to body-to-body with her lovely breasts sliding up and down my back. What a turn on! Then we lay down together for some warm and passionate french kissing and mutual stroking before I licked her sweet pussy and made her moan like she was genuinely enjoying the experience. I'm sure she was! Then followed some covered oral until we finally slipped into full penetration for the final act coming to what seemed a mutually satisfying conclusion. Noo rush with Maria and an experience to be recommended. Treat her with respect - she is one of the best ever!
