The Premises:

Nice clean purpose built establishment in quiet residential street with open lobby and inner door near by free parking, 1hr, fixed bed and showers two minutes walk from station

The Lady:

Genuine attractive blond about 5'6", 38DD size 12 with curves in all the right places, mature but looks much younger would look nice dressed in a power suit rather than tarty (just my opinion)

The Story:

This was the second time with Heather in a week so this time I was much more relaxed, we dispensed with the massage, which was excellent before, in favour of a cuddle and chat letting our hands and lips wander until I was in that glorious position inspecting her very pretty fanny, not shaven but only lightly bushed, after an enjoyable time licking her tasty fanny, which she seemed to enjoy, she gave me a covered bj followed by her on top finishing off doggy style. She was in no hurry to get away and fetched a drink for me and sat and talked whilst I got dressed and drank it. If, like me, you prefer older women treat her well and you will not be disappointed.
