The Lady:

She answer the door and i was v pleased on what i found, blonde, slim and wearing a short black dress in which i got a better eyeful as i followed her up the stairs....get pair of legs with sight of her stockings.

The Story:

Kisses and cuddle which i love as it means a lot more and off with clothes, gr8 OWO and had visions of shooting cim. 69 so i can pay attention on her pussy. sex in 3 pos. her on top, then me on top and finished in doggy. couldn't hold back any longer and shot my load. loved it ! Def. go back and will spend more and love to CIM. A tad hot in there but it was a hot day. thx Julie
