### The Lady:

i had phoned night before to check what ladies were on,advised of 7.on arriving 3 on duty,so not a good start..kinda felt things were gonna get worse. picked her because she showed me in,and she had a young look about her.18 years old,small and curvy with braided hair.pleasant enough to look at

### The Story:

things were kinda strange in the room,with none of us ready to make moves.she says she does everything,but with good owo she pulled away when i came.dunno, just wasnt that spark....i decide to cut short with intent to go to l street sauna, not too sure about scorpios any more,quality and amount of women when i go seems to be poor..Boy am i glad left and went elsewhere,young,sexy and enthusiastic european girls and price exactly same,with more comforts..
