The Story:

Having read previous reports on Cherry, and with my recent good experiences with this agency I felt I had to try her. She definitely lives up to the hype and as promised by the agency all services were on offer. She gave me the deepest blowjob I have ever experienced, and let me pull her head down as far as it would go onto my cock. I thrustured her mouth until I came inside it and she rubbed the cum over her tits and face and then I asked her to snowball me and she swapped the remaining cum from her mouth to mine. I was so horny after this I told her to get on all fours and she teased me waving her sexy bum at me and I put a condom on, and pounded her tight arse while holding her by the hair and talking dirty. Was using a lot of energy so I laid down, and told her to get on top now, and she did, and I told her exactly how I wanted her to ride me and she happily obliged until I couldn't hold on. Cherry is as dirty and naughty as it gets and this is as close to being in my own porn fantasy as I have been. She is unbelievable.
