The Story:

Where to start, Tammy is obviously a fan of snoggin and it shows snogged my face off virtually throughout our encounter.

Teased me with a long bout of owo taking me to the brink n back boy she does it good lol

This continued for what seemed like ages where Tammy concluded the event by wankin me off to the obvious outcome.

Plenty of chattin easy to get on with no forcing of conversation here.

Round 2 More owo and sampled the delights of tammys pussy which Tammy appeared to enjoy.

On with the condom and shagged like rabbits for again which seemed like ages. Chuffin lovley.

Lovley lady great punt next time im in the area will defo see again...

Catch u soon babe..!
