The Story:

Heard good things about this agency and its Angels so decided to go for it. Angie is only here for a few days at the beginning of the month.

What can I say; she is tall, stunning, attractive and very sexy with a twinkle in her eye and a cheeky smile that tells you you're going to have some fun. And fun we had. Yes she's a porn star - everything is on offer - but she is a nice combination of PSE and GFE. Lovely.

She made me feel quite relaxed and we yapped on for a while, I was in danger of running out of time! My fault. We overan a little with no clockwatching on her part and no rushing. And I left with a smile on my face. Note to self; book 2 hours next time.

In summary; a lovely lady indeed; attractive, warm, friendly and oh so sexy.
