The Premises:

A nice enough apartment five minutes walk from Paddington Station, seems the building is used by a few agencies and girls as I have been there three or four times previous to see various escorts. Safe, busy area. Shower that works fine.

The Lady:

Very much like her photo, Young, tall, slim. Very attractive, though slightly saggy breasts (agency photo may have been airbrushed in this area).

The Story:

I was really looking forward to Lolita, she looked good and had a few good reviews on Punternet and the agency site. So I offered her ?200 for 90 minutes, the price advertised on the agency site, however she told me the price was ?225 ! Not a good start. I chose a one hour meeting instead. Things didn't improve. No passion, no kissing, very little contact or communication. A half hearted BJ, followed far too soon by sex with her on top.

After sex I tried to start some conversation, but she was just too remote and disinterested, sitting on a chair rather than on the bed. She began complaining that she was 'so very tired' and didn't really want to work that day.

It was obvious from her attitude that there was to be no more fun with her, so I dressed and left.

Before I left Lolita said I should phone the agency to complain, as she had told them she was tired. I phoned, complained. The agency said they would phone me back with a solution, they never did.

I am very disappointed with the agency and Lolita, if she didn't want to work, why see me and take my money ?

So ?150 for no more than 20 minutes of mechanical and emotionless 'sex'. Avoid this girl.
