slim brunette, shapely legs and firm breasts

The Story:

stacey entered the room with a big smile and i knew this was going to be a good punt.
after a short back massage stacey started playing with the old boy and it did not take long to rise.
Stacey asked me to turn over and she started rubbing the old boy between her firm tits. i asked if i could lick her pussy and she laid back on the bed with her legs spread. she tasted divine and i spent the next 10 minutes licking her tight pussy, she allowed me to finger her and she got very wet and she was making a lot of noise. stacey then put on a cover and started giving me the best blow job i have had for a long time, plenty of sucking and she took the full length in her cute mouth. we then moved on to the main event which started with missionary, then cowgirl with her tits bouncing away and finally doggy with me holding her tits until i cum.
thanks Stacey for a great time
