Lucy is a very nice looking Chinese girl as per web site.

The Story:

Lucy started off with an oily massage which lasted for about 10 minutes lots better than the quick rub that you can get at other places. She paid attention to my arse and balls plus rubbing my back, shoulders and legs. We had sex in a few positions me on top her on top and doggy as well I came with Lucy on top she is a great French kisser and clearly loves her job. All in all a very very good punt time well spent driving over from Leeds.
