smart and clean apartment

The Lady:

wow - very good looking young blonde

The Story:

Arrived and we chatted briefly shown to the shower and onto the action. her massage soon turned into fun and sex and we worked through hands, mouth and pussy. She has lovely soft hands and they did wonders with my cock and her mouth at the same time was almost too much. Shhaged her in doggy and then moved onto mish. All fine and she did just the job I needed.
