Pretty girl with lovely features. Her pictures are not misleading.

The Story:

Gave me a pretty decent oral at first, then after i worked her clit a bit with my tongue, she got turned on and went from decent to damn good. The 69 that followed was mindblowing, and the sex was great, she was quite vocal and made the thing feel somewhat special. I hope to see her again soon, i already called the agency to book her again but she was not available, i hope to have better luck next time.
