The Story:

I'll get a small gripe out of the way first. The ?80 cost was ?50 inc + ?10 kissing + ?10 OWO + ?10 reverse O, which made for quite an expensive half hour - but if you're going to sample the best you've got to pay top prices.

Tanya entered the room while I was still in the shower and stripped off ready for action. After a pretty good back massage, she flipped me over for the real fun to begin.

Started with some full on French kissing, before she moved down to massage Salty junior with those magnificent mamms. Then onto OWO throughout which she maintained eye contact.

She then lay on her back and gave me a chance to suck on her wonderful, large, nipples before moving down to feast on her sweet pussy. Then into a prolonged 69 during which I slipped my tongue into her chocolate star. She politely informed me that this was usually extra but would let me off this once as it had been my birthday earlier in the week - great present, Tanya!

Sex was in reverse cowgirl and, unfortunately, all too brief. I know that I've said before that I must stop having sex in that position as it is always over pretty quickly - but there's just something so fucking great about a bird with a nice arse bouncing up and down on your loins, and your cock disappearing into her nether regions!

Thanks for a great time, Tanya. Top girl; top punt!
