The Story:

Well the olympics are on and I struck Gold! I think some of you have been trying to keep this lady a secret! Chloe is very easy to talk to and has an attitude that is just perfect. You have paid your money and Chloe is going to provide the service you require, nothing is too much trouble. It's like being in a 5 star hotel where you are waited on hand and foot. She kisses with enthusiasm, infact she snogs your face off. She licks, she sucks, she tastes great!. If you fail to enjoy yourself with this lady it's time to give up! The new photo's nearly do her justice but the experience I had yesterday was the best I've had. I know this report will make it more difficult to see her, but the whole purpose of this forum is so people can use others experiences! Thank you Chloe, it was a fantastic birthday treat, I'll be back as soon as I can!
