The Lady:

She appeared a little older than the attractive pictures on the site, and a tinge heavier. However, still an attractive Essex girl!

The Story:

Hotel room was basic but nice (with air conditioning as well!) She was very welcoming, and was charming throughout the encounter. Was offered some wine, sorted out the finances, after which she excused herself to get freshened up.

When she said that I could cum as many times as I liked for the hour, thats when I knew this was going to be a good encounter, and the initial small disappointment that she looked different from pics on web was forgotten.

Light FK (a little disappointed that DFK seemed not to be on offer). Lovely tits as per the pic on the website, and spent quite a bit of time indulging in them. Very good BBBJ with plenty of eye contact, followed by 69, then me returning the favour. Tit-wank with KY was great!

Cowgirl, followed by doggy, the mish.... all performed superbly with enthusiasm. She offered to finish me off with a BBBJ. After taking the first of my load in her mouth, she proceded to take the rest on her face while still making eye contact! Absolute PSE stuff.

Great encounter overall. Probably wont go back though, but only because of my passion for variety.
