The Premises:

Hotel, very nice. She is a smoker though, so smelled of smoke.

The Lady:

Very pretty girl, but she has added quite a bit of weight since her modeling days. Very busty, but large scars from a reduction.

The Story:

My first time using Maxes and I think I picked the wrong lady.

Upon my arrival, she was in negligee under a bathrobe. We chatted while she drank a beer and smoked (making the kissing somewhat less than desirable). I went down on her to find her much less than hygienic (I couldn't wait to get home and shower, yuck). She clearly does not enjoy OWO and after a few moments she grabbed the hood. So, we started in doggie then mish, but she was pretty dry in short order and had no lube. So, we couldn't really continue doing much there and she didn't like giving oral, so I settled for a tit wank and left in a half hour. Horrible experience.
