The Premises:

She is usually located in Hall Green ? I have never visited so cannot comment. I visited Vanessa at Solihull, she only works there occasionally. The Solihull apartment was in a respectable area, easy parking, easy to find. Inside was clean, tidy and not full of smoke. In fact you couldn't wish for a better location.

The Lady:

Tall, slim, tanned, young. Firm small boobs which I prefer. There is a bit of fuzz between her legs, again I prefer this as it is much more natural. The 2 other reports on here accurately describe this stunner.

She is extremely pleasant to talk to. If I was looking for a dinner date, Vanessa would be my first choice. (Not sure if she does out-call, but you could always ask).

The Story:

Massage, kissing, oral both ways, sex in 2 positions. Everything protected. Intelligent conversation. All very pleasant and not rushed.
