The Premises:

First impressions are that the place is shabby but once inside it is fine - clean and homely and the bedroom is large with a full wall mirror. The maid, was very chatty and friendly, supplying drinks as I waited ? which was a while, as not surprisingly, Mandy is popular. You need to phone to make an appointment.

The Lady:

Stunning in mid-20s, tall, slim, curvy, nicely tanned blond with beautiful eyes and smile, lovely legs, bum and with gorgeous breasts. Although reserved at first she opens up as very friendly, witty and genuine. I've seen her several times, and every time found her a delight to be with.

The Story:

I was disappointed to read of a recent poor review on her, which I didn't consider fair. Mandy, just like all girls needs gentle treatment - treat her well and she reciprocates. She has sensitive breasts and has been previously reported as not liking fingers inside.

I was led to the bedroom by the maid and undressed while waiting for her. When she arrived looking superb in her lingerie, heels which so emphasised those beautifully toned legs. We chatted a few minutes before having a kiss and cuddle ? she put me so much at ease. Then she undressed revealing those beautifully rounded boobs. She lay on the bed, her gorgeous tanned body looking so inviting.

My tool was already throbbing with anticipation. More kissing and cuddling, as she toyed me, rubbing my shaft length and fondling my balls. I then started to take control moving southward, briefly brushing my lips over those sensitive breasts, moving my way slowly down to her gorgeous minge. She loves reverse aural, and I would have happily lick her all afternoon. I spent at least 20minutes pleasuring her to our mutual satisfaction. As she became aroused her hips started to rock too and fro. She started to moan, her thigh muscles trembled and juices flowed. Although she didn't orgasm, she must have come close/ to it.

Afterwards more cuddling she took the initiative, slipped on a sheath and moved down on me treating me to lovely oral treatment. She got me really hard very quickly, with good eye contact, taking me deep in her mouth. After a few minutes, she agreed 69 and I continued to pleasure her.

Time was moving on so I entered her initially missionary style, then submitting to her on top. We were so in harmony, she seemingly enjoying it as much as me. I exploded in to her deeply and strongly, testament to my belief that we were climaxing together. Mandy allowed me to savour the moment, as my tool spasmed deep within her. She cleaned me up, and we embraced. All too soon it was time to go. Thanks Mandy ? you are one wonderful girl. Treat her well lads and you shall reap rewards!
