The Premises:

Sian came to my hotel in the birmingham city centre.

The Lady:

Lovely lady with nice skin complection, nice jugs and has nice brown color hair.

The Story:

I fly into birmingham every weekend with my airline company and found this site searching the net and all i can say is that this site ROCKS! You british women do turn me on with the way you speak with that british tongue.

She came in, got dressed in the washroom and when she came out she looked better.

I dont know what to write here about our meeting except that i did enjoy it but I dont think she was as willing as i expected. Lovely lady but i think she charges abit too much for what she offered but im sure that I had her on a bad day.

Service Provider's Rebuttal

The agency writes:

The Field report submitted by dirtyairpilot is bogus. Sian was on holiday in Spain at the time the punter claimed to have seen her. She does not work on Saturdays in any case.

We have no record of any of our girls having an outcall to a Birmingham hotel on the Saturday afternoon. We have a minimum outcall charge of ?170 . All the elements of this report are entirely inaccurate.
