The Premises:

Very clean and up to the expected standard from this establishment -- nice size room with its own shower

The Lady:

Blonde, slim and very attractive -- exactly like her decription (which is on the House of Dive website)

The Story:

Sally has only been working in MK for a few weeks -- initially at House of Divine -- and today was her first or second day at Annabellas

I had originally gone to see if Tammy or Natasha were working, they were but neither were available so from the ladies who were I decided to see Sally as I liked the look of her

She did not disappoint. A short massage was followed by some excellent OWO and then on to a great 69, then more OWO and then onto reverse O followed by..... well need I go on !!

She is a very nice lass, provides an excellent service and you can have a conversation with her as well. What more could you want. I certainly intend to see her again her soon

I was due to go back later in the day to see Tammy -- but alas had to cancel(apologies Tammy if you are reading this) but having already seen Sally my day was far from a dissapointment
