The Premises:

Easy to find in Earls Court. Clean room. Apartment was shared with another girl - with lot of noise

The Lady:

Not the lady in the picture on the site. She is listed as New and from Lithuania. This Natalie, spoke good english and was from Russia. Did not even look like her. Had a nice body.

The Story:

I should have walked out when I realized it wasn't the same lady on the site. IMO - if you have to lie to get punters over, its not a good sign.

Good conversation - but too much conversation. Kissing was ok. Didn't allow me to touch below her waist. OWO was ok - but told me not to cum in her mouth - even though the site listed her as providing all the services. One round - OWO - that's it.

All in all - a very disappointing experience.
