The Premises:

Very clean and friendly place reached down an alleyway. Seemed reasonably safe

The Lady:

Very friendly personality (easy to talk to)& a lovely smile that stayed there throughout the whole session. Petite size 6/8 about 5' 3". Tiny waist & bum, but big tits with large nipples that you just want to eat.

The Story:

Been away from the punting scene for a while as a lot of the girls out there just want to take your money & get rid of you as quick as o=possible.

Saw a recent report on this girl and looked at her photos on the site (they don't do her justice)& decided to give her a chance. Boy am I glad I did. Totally different from a lot of the girls out there. Seemed to enjoy it & made sure I did.

Opted for the hour with everything thrown in. No clockwatching & plenty of french kissing & eye contact throughout.

As per her recent report I asked her what her favourite position is. Wow. Go & see for yourself. You won't be dissappointed.

Why aren't all the other girls like this one. Hope she stays around.
