The Premises:

Has been described before, i must agree with the previous posters, the place is absolutely good.

The Lady:

Gemma is a delightful English doll, she has a very nice body and a positive friendly attitude that i enjoyed from the first to the last moment

The Story:

I've left this place with a big smile, Gemma will see me again for sure, is not only that she can suck and lick perfectly, is also that she can take a nice punishment with that sexy attitude that i like so much. To sum up, great submissive, great blow job, amazing sex, all together highly recommended.
