### The Story:

Went to this sauna to see tania, after a good report on her here. Saw her in the waiting lounge, and was a bit caustious. She seemed not interested, but as I had gone there to see her, I decided to go ahead. Glad I did. She was avery nice person, and put me at ease, and while maybe not the most amazing sex ever, certainly a very good massage parlour half hour. Would love to meet up with her in a hotel for an hour.
