The Premises:

The rat scuttling in a bag outside said it all. Rough as a bears

The Lady:

Emaciated, unkempt, with a certain urchin quality. Not a daily bather

The Story:

Should have made my excuses, but she had a suggestive smile and I was in one horny mood.

Complained that the others had not turned in as yet. No commitment to duty.

Clear from the off that she wanted it over and done with asap and at ?30 a throw who can blame here.

Oral pretty good as was the act when I finally rose to the occasion. A 5.5/10. I have had much worse. Would not fancy this area after dark!!!
