### The Premises:

Everyone praises the facilities at IM, and I'm no exception. Clean, luxurious and safe.

### The Lady:

Amy is a cute little blonde, who looks exactly like her pic on the website. Age is given as 20, and I'm prepared to believe it.

### The Story:

A lot of options open. Bath (just had one, so turned down); mint(don't like, so turned down); cuddle and/or massage before main event? Accepted both, and both were very pleasurable. Amy kisses on the mouth, which is a plus, but doesn't FK. Then to the main event, which was graciously done, Amy being very lissome and obliging as to changes of position. I kept it going as long as I could, but with a girl as sexy as this one, I come fairly quick - even at my age, which is thrice hers. Then some more cuddles and conversation, at which she's good, and then it was time to leave. I'll be in a good mood the rest of the week, and I really think my work colleagues ought to have a whip-round to keep me that way
