The Premises:

As reported. Busy industrial unit on edge of city centre. No one nearby seemed to have any interest in me entering or leaving

The Lady:

Curvy in all the right places. Good, well proportioned figure, say a size 12. Boobs to die for and drown in. One small tattoo at base of her back.

The Story:

Range of services on offer including CIM. Took top range of options but the pity is that my stamina only lasted for just so long, so I came after an excellent massage, nice tasting reverse oral and missionary sex. All over far too fast, but this was my fault not Louise's. She is a great conversationalist, and would be the life and soul of any party.
