### The Premises:

Nice one near to tube station and very posh

### The Lady:

She is young and exactly the way she looks like on the photographs; blue eyes - very kissable lips - firm body and warm and moist one down there

### The Story:

I have stopped writing reviews for two reasons; I see girls very rarely these days and second even the girls I see don't match my standards. But Millie is a gem; her English is good; her attitude is better and her taking care of you is the best.

The reason I went to see her is her blue eyes and her smile. I am not disappointed. She is amazing in bed she kisses brilliantly she plays well with her tongue and she will take you to heights of pleasure with her ability to respond to your moves and surprises you. I would rate her as the best experience of my life. Her owo is smooth and she is clean down and very moist. Her firm breasts melted in my mouth and her sweet mouth surprised me. Millie if you read this let me tell you one thing ?just because I have seen you twice on two consecutive days does not mean I love you. But I will definitely tell you that I will remember you forever for the time I spent with you.
