The Premises:

Nice new apartment block near Egdeware Tube. Very clean and safe with a desk porter but in no way in your face or any problem.

The Lady:

Very attractive slim blonde polish lady in early/mid twenties. Great figure not particularly curvy but nice small tits with great nipples, lovely ass and clean shaven pussy. Stella speaks good English and is fun to be with.

The Story:

This is my second visit to Stella. My previous report was rejected because I had breached the rules on too many reports - just having more fun than that allowed!!

Anyway Stella is great and better the second time than the first because she recognised me and relaxed because we had got on well the first time.

I was in a real rush so well done to Susan at the agency for sorting it all out in minutes. I was in the room within 15 mins of my call.

Stella is a great GFE. Very attentive and a really nice girl. Great FK and OWO before prolonged oral on her with Stella coming to a breathless climax rubbing her stomach and squeezing her nipples. More very nice OWO followed by a lengthy shag with her kneeling up on the bed and me entering from behind whilst standing. I love this position, with a slim girl, as you can reach around and play with her clit and nipples all whilst pounding away to your heart's content. Excellent spurting orgasm as Stella wailed away. Superb punt.
