The Premises:

So much has already been said about the retreat--what more could I add. It's the perfect location.

The Lady:

Alex is a beautiful, tall, thin blonde with pert, perfect breasts and a beautiful round bottom.

The Story:

I asked her for a caning followed by a long session of being allowed to worship her divine anus whilst being covered in clips and clamps. She promptly rolled me over and got to work. After an increasingly hard caning, she rolled me back, ordered me to have a shot of amyl (I had asked for this at the beginning) and then lowered her perfect bottom on to my face telling me to get to work. She tasted perfect and sweet and smelt very faintly of coconuts (this made her giggle - 'bodywash?').
