The Story:

Ah, here's the difficult bit. She was pretty and maybe I was just having an off day but there was absolutely no spark. Would I recomend her? Sort of. Would I not recommend her? She wasn't that bad, just not that great.

Details are that I was greeted, she wearing lingerie as requested. Not much in the way of preliminaries, drink offered, massage offered, shower offered. We got down to the action, but not particularly keen on kissing despite what was advertised. Not unwilling, just not full on or initiated. Seemed to spend a lot of effort deflecting attention, wiping the old boy, giggling, jumping up and down, lighting candles, shutting and opening the curtains. It was difficult to get her attention mostly. Bit of OWO but nothing out of the ordinary. On with the condom and into mish. Fine. I asked for A and this was offered but by then I was losing the mood so it wasn't succesful. Had a ciggie together then asked for a massage which was okay (just, but desultory). Finally started getting the old boy interested again with some hand action and when I came the CIM tuned into a quick deflection, half in half out and gagging and spitting.

Finished with a shower and left.

Overall not the greatest punt by a long way(6/10). Not entirely her fault but she also didn't do anything terrific to recover the situation.

Would I recommend, probably on another day it would have been better

Oh and the english was poor, not a lot of verbal communication

Just in case you think I was impotent or incapable for other reasons, 3 hours later with another lady (Brandy/Brenda - see my next field report) it was terrific and enjoyable.
