The Premises:

As per previous reports. Clean, tidy, well thought out and far far better than the average.

The Lady:

Described on IMs site as a 'Timotei Girl'. Not far wrong. Stunning petite size 6 blonde with a fabulous figure. The only irony is that Amy confessed to being too young (21/22?) to remember the adds and know what on earth they meant by it.

The Story:

The best way to spend a friday afternoon out of the office 'for meetings' I have yet discovered. A fun, friendly lady who read me like a book and tailored the pace and direction of the appointment to suit. Sometimes one is tempted towards ladies who provide lots of extras just in case something appeals at the time. I have no idea what services Amy provides beyond FPS...stunningly erotic and good at that that it never crossed my mind in the entire 3 hours to even ask.

Can't really think of a downside to this appointment. I never travel far to punt but I will now if this lady is working. Even a 2 hour drive home on a flooded M1 couldn't wipe the grin off my face and that is saying something.
