The Story:

In Leicester on business and found this location on pnet by mistake - clicked Leicestershire by mistake! What luck!! Called on spec and was offered Tayla. Waited nervously in waiting room (with another guy there) and Tayla arrived, greeted me and took me to room. Lovely looking confident lady. No sooner got into room and she left, saying she'd be back in minute. Couple of minutes later, receptionist came back to say Tayla wasn't feeling well and I could get my entrance fee back. I said I would rather see the next available girl.

Then Mia arrived. Really friendly girl. Nice massage, went for full service which got me an excellent bj, her on top, doggy and a handjob. I finished while she played with herself. Really good time and she was a star. The only downside was Tayla's disappearance which for a newcomer was a bit unsettling but Mia made up for it
