The Story:

Not going to go into explicit detail, just to say that i wanted girlfriend experience and was NOT let down in any way shape or form, from the word go, I was treated to the best time I have ever had, the kissing wasn't limited and was very sensual as was everything else that happened. If this is how Louise treats her men then I want her as a girlfriend!!!(Am i allowed to say that?)
Will definately be seeing her again very soon!
