The Lady:

Pictures very accurate (<http://www.121asians.com/taylor.htm>). Very very skinny. Boobs a bit, um, droopy when unsupported. Overall nearly flawless.

The Story:

Called the service once i got checked in, 9:00pm or so, found taylor was available and could be there @ 10:30. Showed up on time, dressed gorgeously (but certainly not inappropriately for my hoity-toity hotel), with a smile and a kiss as i opened my door. She confirmed the time i wanted, called to check in, got money taken care of.

She ran a bath and got in on top of me, giving me a wonderful full body wash, including great OWO. After drying off and moving to the bed we made out for a while there, then onto the main event. Very enthusiastic throughout, OWO, DATY, cowgirl, mish, then a flip onto doggy, where she asked if i wanted the a-level service. I certainly did, and she seemed to love it as well. Noticing she had a toy with her, i had her use that on herself as i enjoyed her wonderful rear, which she squeezed with each thrust. Soon i spilled in there, and we lay in bed for a while.

She kept poking me for more, eventually taking it on herself to give me another blowjob to get everything started again. After that round, we snuggled in bed for a while longer and then she got dressed and left.

Overall totally amazing and would recommend to anyone.
