### The Premises:

Scorpio has been described many times, safe and clean as usual, with loads of girls on this Sunday evening and very few punters. I was spoilt for choice so I ended up going for the 2-girl option!

### The Lady:

Zoe is a slim blonde, around 5'5", and Charlie is a dark haired classic petite but curvy lass with cute glasses, fantastic tits, and a glint in her eye. Both are Scottish.

### The Story:

I opted for the full lesbian two-girl experience, for an hour. I picked Charlie first, there was a certain look from her in the lounge that suggested she'd be full-on GFE, and she suggested Zoe as her preferred partner in crime. Both girls were well up for oral, both on me (uncovered) and each other. Apparently they quite often do the two girl thing together and it shows, they were totally comfortable. After a mixture of 69, OWO, and full on kissing, I then moved to doggy with Zoe and then Charlie, cumming deep in Charlie's pussy while pounding away. After a quick shower for each of us to freshen up it was on to more oral and 69, with Zoe working her mouth over my cock and balls with great gusto. Her oral skills are really excellent, and Charlie's are nearly as good too.

The 2nd cum for me was with Zoe grinding her gorgeous pussy and ass into my face and tongue, and Charlie taking no prisoners with a full on hand job. Overall it was so good I decided to tip both girls as much as could.

Both girls were really excellent but I would give Zoe the edge for her BJ skills and Charlie for her dirty talk in the room! Next time I'd like to shoot my load in their hot mouths, that would make the session perfect. Time to start saving up!

If you are after a full-on 2-girl with hardcore lesbian action included, these two are the girls to pick. Worth every penny.
