The Premises:

Discrete new apartment down near the markets / bus station. Plenty of parking nearby with the NCP being very close by.

The Lady:

Cara is stunning, petite and slim with a fantastic figure. Long dark hair, olive skin and the most fantastic pair of boobs (34D I think).

The Story:

Well I've been seeing Cara for over a year and I think this is the 5th time I've had the pleasure so this review is perhaps slightly overdue, hence why I've taken the time to register on here.

I was met as usual with a happy smile, after a chat over a glass of wine we headed for the bedroom where I was treated to a nice massage, which of course I returned the favour.

Then onto the main event with lots of kissing, great oral and sex in various positions. When Cara is on top there is no finer view in the world than her great tits bouncing in front of you.

Gents you will not be disappointed.
