The Premises:

Immaculate flat near with convenient multistorey car park.

The Lady:

Very glamorous and voluptuous blonde girl from Copenhagen. Lovely suckable nipples in fact, lovely suckable everything, nice even tan.

The Story:

Pia offered me a drink and we chatted for a bit, and then we began a little light kissing which developed quite naturally into pretty raunchy groping and deep kissing. Bit by bit we got undressed and finally she said hello to the pork sword. Her oral without is something to be experienced - churning and very deep with lots of lovely sounds. After a bit of this, alternating with nattering about this and that, it was her turn. She was already gushing a bit and some tongue action quickly brought her to orgasm.

A bit more owo then on with the rubber and into the final event which featured cowgirl, then missionary and finally doggy - progressively deeper at each stage.

Pia is quite a find - extremely friendly and good fun to be with, quite apart from the other sort of getting to know you.

Hemel is a bit of a trek for me but I'll certainly be making the effort as circumstances allow.
