The Premises:

It was nice quiet secluded house, pretty close to the Ely Train station. Well within walk distance or a taxi.

There are also ample parking spaces nearby.

The Lady:

Claire is a lovely lady who is in her mid thirties with an insatiable appetite. Her biggest assets are a set of 38DD breasts which hang perfect when she's on top and a genuine personality. She really knows how to build up the confidence in a person and make them feel good inside.

The Story:

First thing she did after we met for the first time was a sensual kiss by her doorstep and a cheeky little grope. Then off upstairs and into her bedroom to sort out the money before getting into pleasure. She was kind enough to pour me a drink before I even got there, however my attention were totally focused on her.

One thing that really stood out for Claire apart from her huge breasts is her indescribably good oral skills. If you really want to try something new, then I recommend some oral attention from Claire. :-)

Overall a fun experience and took away a new benchmark for oral skills in women.
