The Story:

Excellent punt - been meaning to see Victoria for some time, never quite got around to it until yesterday. Victoria was very easy to communicate with and texted me her address after the booking was confirmed - I texted back asking her if she would wear a maids outfit to which she agreed. Well, when I got there I couldn't believe my luck, she really is as good as her pictures on the website and with her little maids outfit and stockings on, I knew I was going to have a good time. After getting down to my boxers, I couldn't keep my hands of her and my cock was aching to get inside her whilst I groped her from behind. She gave me some excellent oral without whilst I kissed her peachy arse and rubbed her pussy - after a couple of minutes of this, she bagged me and then started riding me reverse cow girl - this girl is tight. I ended up lying behind her a pumping her in a spoons like position. I carried on for a few more minutes then requested oral to finish to which she duly obliged and took of the condom and proceeded to suck with of great vigour. The inevitable happened and I shot my load into her mouth whilst she carried on sucking till I was spent. Thanks Victoria, I had a great time - well recommended.
