### The Story:

After seeing Sam's photos on website made trip up to see her. I had the basic full personal service, she started with a nice massage plenty of chat, told me she was a glamour model in the past well believable as she is a stunna. The massage was good plenty of attention to my balls then I turned over and she took bra and panties off, I got even harder! touched her pussy which was damp then she put rubber on and sucked me hard, this looked great and was a sight to behold. Got her to ride me then as she is very fit got her bent into some good positions. We shagged for quite a while then using her hands pussy and dirty talk I filled the condom. She got me going I was still hard and could have carried on. We dressed and chatted she told me I was a very naughty boy! no rush for me to leave. Sam is great girl to visit and at this price is very good value. Some of the other services like OWO, Reverse oral and kissing work out quite expensive, ie time I had with above extras is ?100, but a shag with girl as sexy and willing as Sam for ?50 is great. She works every Wednesday and every other Sunday.
