The Premises:

As per previous reports, a little difficult to find but once there it was very clean and tidy

The Lady:

Stunning, she looks as good in the flesh as she does in her photos

The Story:

After several weeks off Tammy has returned and had been very busy, she had been run off her feet all day but still came in the room smiling and full of energy, fantastic DFK and the legendary BJ in the shower nearly had me shooting my load early. Sex in several positions and Tammy was getting very vocal, she really seemed to be enjoying herself, finished with me coming over her tits. Tammy is a lovely girl with a fantastic sense of humour. It will be a real shame that she, as she put it, is "hanging up her knickers" next month.

Tammy you will be missed
