The Premises:

A typical small parlour in a row of shops on the main A647 Bradford-Leeds road. A very bust road, but parking available on spare land opposite the parlour, or on sidestreets. Felt safe in daylight. Care perhaps needed at night. Basic clean terraced property, with receptionist (?5 door fee taken) & two girls. Open until 9pm.

Clean, warm & comfortable inside. Rooms likewise.

The Lady:

Paige is a smallish, pretty, slender brunette, probably 40ish, with a great figure, soft smooth skin & great breasts & nipples. Well spoken, friendly & fun. Tells me she works only on Tuesdays at the moment

The Story:

Paige is a stunner when stripped off, with only small tasteful tattoos to distract from her fine body. We started with me caressing her, and then onto reverse oral, which she was happy to enjoy for ages. Paige has a well defined, tasty & smooth shaven pussy, which soon got very moist under the ministrations of my tongue.

Eventually we put on the condom & I enjoyed full penetration of her hot & tight pussy in the missionary position, with her great legs wrapped round me, and it wasn't long before she drained me dry. A good clean-up followed by a nice shower completed my visit.

This lady is an expert in her trade & good company too, so I cannot recommend her highly enough. Sadly, I don't visit Bradford often enough to enjoy her regularly, but she is definitely worth a detour if visiting West Yorkshire.
