### The Premises:

Nice flat in the Merchant City. Very clean, felt totally safe.

### The Lady:

Lady is about 5'6, slim with B-cup breasts. Very attractive, mid 30's.

### The Story:

Amethyst started by kissing me and caressing me. We then had a very free flowing pleasant sexual encounter, with OWO, 69 and sex, doggy style. Sadly I came before we could try more positions. Afterwards we lay and chatted, kissing and rubbing while doing so. I then gave her oral which she certainly enjoyed, and she tasted good.

I had a really good time, and the half hour was quite a bit longer than that. Certainly not a clock watcher.

She made me feel good and important, that's what a good punt is all about.
