### The Premises:

Nice discreet and comfortable domestic setting in a good part on the outskirts of the City.

### The Lady:

Tall elegant and leggy redhead lady with a smooth and pale complexion. Very smartly dressed in short tight skirt and high heeled shoes.

### The Story:

Mistress R appealed to me after reading her recent punternet reports.

This lady obviously enjoys what she does and i wanted to act out some role play where Mistress R was dressed as a recruitment officer with a very tight short skirt and high heels complete with heavy make up. She teased me crossing and uncrossing her legs knowing where to crank it up and made the atmosphere electric.

Based in a domestic setting Mistress R is classy sensual and very much in control-disciplining me for looking at her legs whilst in role play.

This lady is a great find and long may she continue to reign in this wonderful scenario and roleplay.
