The Story:

Tammy is very experienced sexually and a really pretty intelligent girl with a wicked sense of humour. She greeted me with a warm snog, which is always a plus in my book.

After sorting the money out, I asked for some ball-tickling and ball-licking, she had no problem with that, then we got down to some OWO which she is great at, she gives lots of eye-contact.

We had some cow-girl and some doggie and then some more OWO. She's a real gem but she's leaving Annabelles on 4th October to become an indie. I even gave her a tip, I was so impressed. I wish her all the best and would certainly revisit if I could.
