The Premises:

Untidy, bathroom unkept, outer door not answered for 5 mins. Did not feel secure. Outer and inner doors in flat kept opening and being locked, shut, etc.

The Lady:

Very pretty, extremely distant though.

The Story:

I saw a good review of Rachel and decided to book. Probably the worst experience I've ever had as it turns out. Absolute and complete waste of time.

Started with a random guy running around the flat talking with Rachel. I got ready with hesitation while she was in and out of the room. Round one half-hearted bj was a speed job and with no grace or friendliness. That was it, was all but ushered out. I was polite, tolerant of waiting in the street for 5 mins, and nothing but a pleasant bloke. Will not return.
