### The Premises:

This is an unusual venue, entry is through a working hairdresser salon, and a room fee is paid at reception. Area is built up private houses, plenty of parking. Easy access. Room was clean and a TV was on showing porn.

### The Lady:

Alex is a mature dark-skinned woman with nice natural breasts. Age around 40 give or take 3, I'd guess. Dress size comfortable. Pleasant personality. Welcoming but not particularly attentive. I was shown to room and it was about 7 minutes before action started.

### The Story:

I was quoted 60 to 80 for 30 minutes, depending on services, on top of 15 at the door. We had a mutual massage, covered reverse oral, and an invitation to come over breasts. It was OK, but I had to bring myself off in the end. Not her fault but I was stunned to be asked for ?90 for slightly under 30 mins on premises, probably 20 mins of her time. Everything I had was offered by Alex, and I didn't even get a shag. Then she tells me how they always quote for services beforehand. Yeah right, they quote a price and then add a few quid to the quote at the end. Poor VFM and would make me think twice about returning.
